“ *My dear Primos, Larry, Lilin, Nash, Tin, Mo and families:
We are so sorry to have heard that Emma had passed away. But, knowing her health was poor and ending up in the hospital time after time, made me sad to hear. You guys had to see her suffer. Doing everything you could to make her feel better. That's a pain people don't realize unless they've gone through it themselves. May Our beloved Heavenly Father keep His Perpetual light on Emma, and may He bestow peace and comfort on your sorrowed hearts, during this trying time.
Love your Primos, Sally Ann, Tony and Birdie (Patrick).*
