“ I am so sorry to hear about Enriquez passing. I know he's always struggled with his choices and decision but I also know that God knew he just couldn't get it together. He allowed Enrique for some reason to go home. Home where he can finally rest and be in peace. I'm so sorry for your pain and the emotions that your going through right now. It's gonna take time to grieve but just know that God is with you always!
