“ My name is Bertha I live in San Jose California, Minnie was my dearest longest friend in my life we went to school together graduated from high school together we shared so many wonderful times with a group of us from the Estrellitata club in high school. I called her home 2/3 days ago to speak to her and the the phone wasn't answer my heart is absolutely broken to know that she's gone And I will pray for her and her family and I know that the Lord welcomed her with open arms she was the kindest most wonderful friend she was always there for me. I will miss her dearly.

“ *My deepest heartfelt thoughts of sympathy to the family of Minnie Navarrete. I worked over 20 years with Minnie at the Tulare Co. Library. We always remained friends after her retirement. She was a wonderful person and I know she loved her family very much as she would talk to me about them all the time. The last few years I would run into her and her sister Stella while shopping. It has been a good year or more since I have seen her. I was really sad to see online an obit on her passing. Minnie lived a good rewarding life. May she rest in peace. Blessings to the family. May good happy memories you have of Minnie console you at this time. Sincerely Nancy Cunha*
