“ *My dearest brother, I miss you so much. It took me all this this time to share my thoughts of you, because my heart was trying to mend. Whatever took you away, I may never understand. I just knew, It was Gods plan.*

*You were the guide of many people. The backbone of many unmentioned. You were caring and giving and the support of people unknown, because you did not help people in need for the recognition of yourself. You simply did it out of Love.*

*You touched so many lives through the years, and never thinking of a reward for you.*

*I know you have your reward in heaven. I also know you have many stars on your crown. Everyone so well earned.*

*Your beloved Los Angeles Dodgers have won the National League West. I want to believe, they did it for you.*

*I love you and think of you everyday. I also know you are in the Glory of Our Lord.*

*If you are able, be an angel to our family. Your love and spirit are always welcome in my home. I Love you so much brother, but I am happy in my thoughts, you already knew that.*

*Thanks for everything. I will see you later.*

*From all my heart,*

*Your baby brother, Billy.*
