“ *Mr Osborne was my 5th and 6th grade teacher in the mid 1970's. He had a significant impact on my life. At a time when I was very impressionable he taught me that learning could be fun. I held on to that lesson through my college years and even now that I teach part time. What a wonderful man who truly impacted so many lives for the better. Thank you Mr. Osborne. My condolences to his family.*
