“ *Maria,
I am sorry to hear about your loss. You and your family are in my prayers. I have very fond memories of growing up with your kids, Dora, Martin, Louie, Sally and Lisa. I remember both our families having to get up in the early morning hours to go work in the fields. Both my dad and Ernesto struggling to get us up. How we hated it back then, but I think we all learned the valuable lesson of having a strong work ethic and the importance of getting an education. Thank you for being a part of my childhood memories and for being there during my mother, brother and father's funerals.
My Sincerest Condolences,
Maria L. Gonzalez (Suarez)*
