“ So very, very sorry to hear of Steve's passing. He was a great guy. When I think of him I always think of him years ago when his daughter was little and I saw him watching her play in a little swimming pool. Never knowing we would end up working at the same school district some day. I thought he was a great guy and when I met him at work I finally got to tell him I thought he must be a great dad he looked like he really loved his kids so much. Sorry for your families loss.
