“ This passing away of my cousin Evelyn, leaves us in shock as it happened so suddenly. One of the best memories is her and Bobby Gil baptizing my youngest daughter Carol Renee Nuñez, we did a lot of partying with Evelyn, those were the days I will remember her for, so many years ago! We still feel your presence with us! Rest In Peace cousin Evelyn

“ Momma words can't express how much I miss you. Being with you for the whole time you were in the hospital it made me see how much having a close bond with your mom really means. I never will forget you I'll know that it's you when you call my name. I thank God for blessing me with 49 years I was in your life. I love you momma it's hard on me but like I promised I'll be strong.
