

Flora Angela Gomez

February 6, 1973 - July 8, 2023

It is with heavy hearts that we announce the death of our beloved Flora Angela Gomez, known to a great many of you as "Flo". On July 28, 2023 our Flora passed away due to health complications at Kaweah Delta Medical Center in Visalia, CA.

Flora was born on Tuesday, February 6, 1973 at Exeter memorial hospital. As the first child of Peter and Angie Rodriguez, she was the eldest of six. She leaves behind her husband Emiliano Hernandez of ten years and seven children they raised together. Silvester (31), Angela (29), Jacob (27), Soloman (22), Flora (18), Nicholas (16) and DaisyBelle (10) and eight grandchildren. Conrad, Uriah, Ezekiel, Xena, Aria, Alena, Axaiah and Josiah.

Flora was preceded in death by her father Peter Paul Rodriguez.

Flora is survived by her mother Angie Rodriguez, husband Emiliano Hernandez, their children and grandchildren. By her siblings, Angelic Guerrero, Nadine Yzaguirre , Peter Rodriguez, Marie Smith and Heavenly Rodriguez.

Some of Floras fondest memories were the times she spent on her grandparents ranch, playing with her cousins in the canal and running through the orchards. Even as a young child, she had a big heart and was most definitely a force to be reckoned with. If she heard someone was ever in need

she wasn't one to wait around she just flew into action and knew exactly what was needed. More than anything else she never let anyone mess with her children nor her grandchildren. Her grandchildren held a special place in her heart.

Flora was an extraordinary cook and was best known for her delicious tamales. She was artistic and could take anything dull or broken and make it into something beautiful. Many of her drawings consisted of dragonflies and sunflowers. Anything she found interesting would become an instant passion and she would excel at it. One of her favorite quotes was "let the blossoms bloom from within". Her latest passion being gardening; it was a hobby she enjoyed and shared with her husband, who helped nurture her own little garden.

Flora was a dreamer who never stopped dreaming and always encouraged others to do the same. Although there is no easy way to turn the page on this chapter of our lives, we do so knowing that she will live on in the garden of beautiful memories within our hearts.

“ *My sincere & deepest condolences to the family. Today is 10/12 and I just now heard of the news by Gomez FB page. I'm so sorry I was not able to attend and give you all a hug! Cousin Flo was on my mind this past 4th of July, I was remembering a few 4th's back, when she joined me here at my house with the kids. I tried texting her but no answer. God bless you all and may we keep in touch though the years. <3 Amanda Gomez-Rodriguez*

Still I am at a total loss for words over my beloveds passing. As I currently do not have my own Facebook profile. I am writing this, via a really good friend. I miss you so much MyLove! I wonder if I will ever get past your passing Mama, but I've got to do something really quick. I'm withering away in my own refusal to continue life on life's terms. Meanwhile I know our family need me just as much as I need y'all. But I haven't me a single clue where to start. God willing I will get it together really soon here and we can continue life together again as the beautiful family we once were. I'm not very hard to find. I hope I will hear from any of you soon. I love you all with all of my heart!

Miss you and I love you all. O

“ *Back in 1994 n 1995. My family n Flo's family(all of our kids). We would go to each other's house n cook, BBQ, talk laugh n have to much fun. She has always been a down to earth person n always had good advice. She loved my kids n I had just had my baby boy in January of 95. Flo was pregnant with her son Jacob. Flo had Sylvester n Angela they were so sweet so cute, I love those kids. Flo always had that beautiful smile. I'm so sorry we lost contact but I always thought of Flo.*

Her smile so priceless.

Condolences to her kids, her husband,her mom, sisters, brothers, aunts, uncles n cousins. Flo will be missed n loved by so so many.
