“ *My condolences to the family. My name is Clarissa and I worked at the hospital. She was always so sweet, and her smile made my day. She was my favorite. Serving her food, and getting to know her and what she liked to eat was my favorite part of the day. We would talk about our favorite foods. She truly loved everybody she came across and everyone she came across truly loved her too. I was honored to say my goodbye, and how much she meant to me. She will be truly missed.*
