She resided in Visalia, California, which she was happy to call home for the past 48 years. In her

“ *My condolences to the Estrada family.
I had the pleasure of knowing your mom about 45 years. I know she lived in the apartments closer to 50 years. I've seen 4 Generations at Sigma acres Over the years.*

She was such a strong woman who loved her kids, grandkids and great grandkids.

I'm going to miss seeing her work in her yard and plant her flowers.

She always had the best looking yard .

I'm so used to walking by her apartment and seeing her sit on her patio. I always stopped and chatted awhile. She was a bright light in a dark world.

She was more than a friend and a tenant she was family.

She is loved and missed By so many. I know because I'm one of them

Take comfort in knowing that she is at peace. No more pain or suffering. She's in the arms of her husband again. Renewed and brand new. In the kingdom of our Lord.

Rest in peace my beautiful friend . Till we meet again.
