

Francisca Garcia Moreno

April 17, 1941 - October 3, 2024

Francisca Garcia Moreno, 83 years young, was welcomed home by our Lord Jesus Christ on October 3rd, 2024.

Our beloved mom was a beautiful person inside & out. She was kind to everyone who was lucky enough to know her. This world was so much better with her in it. She will be missed terribly by her children, grandchildren, great grand children and her loving brothers and sisters, along with family and friends she made throughout her short life on earth.

Mom had a green thumb and loved gardening and enjoyed spending her time outside caring for her flowers and watering her many plants. She could make a small plant bloom into something beautiful. Before you knew it, she had 15 plants thriving on her kitchen window from just that small little twig someone had given her. We leave her in your loving care God, making heaven that much more beautiful with her presence. Until we see you again, mamacita.

Family and friends are invited to a private service and gathering to celebrate her life. Please contact any one of her children for more information.

Services have been entrusted to Salser & Dillard Funeral Chapel. Memorial Tributes and condolences may be offered by logging onto www.salseranddillard.com.
