“ *This can't be true--we just didn't think death was fast enough to catch up to Freddie--He was "THE MAN"----1955 and 1956---20/30 Relays at Tulare High School Stadium, we went to see Freddie-- Friday night football games at the same stadium, we went to see Freddie---He never disappointed--so thanks for those and a bunch of other great memories from the "50's"--I'm sure your family is proud of you and hope they are all adjusting to their loss.*
