“ First of all to Gary’s daughters, wife and brother, I am very sorry for your loss. I met Gary almost 50 years ago. We worked together as volunteer fireman in the old county station behind the the old county hospital. Gary left the firehouse to go to work in the Sheriff department. I did not see him often but a mutual friend in the fire department would keep me up to date. I got reacquainted with Gary at the farm show and it was a pleasure to work with him again two weeks out of a year. Always looked forward to seeing him again and to hear his stories.
