“ I’ve played softball with and against George for a long time. I met Goerge probably around 1996. One of the best guys you could ever meet. A good friend and team mate. A true competitor. The softball parks won’t be the same without George out there. You’re missed already brother. RIP George.

“ I loved playing softball on the field that my dear friend Georgie, as I called him, was umping on! He would always give me a hug and say what’s up sweetie. When i first started out he would always make time to give me some batting pointers. He will never know how much that meant to me. I was often a scorekeeper for his games and we would always talk about life, sports and everything in between. But when we would talk about his little Kylie, his eyes would smile. O how he loved that little girl! My friend Georgie you will be missed but you will never be forgotten. ❤️

“ Wow, where do I start? He was a smart person. Loveable guy. I met George when he was about 10 years old. I played softball on his dad's tournament team Orosi Redsox. Years past and when he was about 15 he started to play softball on his dad's team. We played lots of weekend softball tournament for many year's He was a GREAT player you could see in him that he loved the game. Very competitive. So then came golf George had a very on ortataxel swing but he made it work. He was a GREAT golf player. He loved to talk about he kids. I enjoyed playing softball and golf with George. I will never forget what a GREAT person he was to me and everyone else. Rest in peace my friend. Thanks for all the memories. PS Say hi to your dad for me. Your friend Juan Gonzalez.

“ George you will be truly missed, growing up with you, you were a faithful friend to my brother, and a great family addition for many years, I watched you raise your children with love always, your barbecues and your marinating tips, trip to Laughlin, and laughing all the way back home broke. 😂 Pelón and I will cherish the many, many memories we made with you. I hope the angels know what they have... see you again soon. 🙄

Well, let me start by saying that George was one of my closest friends even though we haven't seen each other in awhile....we had numerous trips to Vegas, Reno, Tachi, Chukchansi. Table Mountain, Eagle Mountain etc.....he was a great father always doing things with the family...he was a great golfer and softball player..he also played Madden Blitz very well.(damn Steelers)..I could never beat him...he was the life of the party, always cracking jokes and capping on people. (I was one of them)...anyway, i will miss my friend George dearly, and will be looking for him when the time comes...
