“ *Donna, We love you both. George was a good man. I have always had respect for a man that not only supports his family financially but shows the emotional support and love that we could tell he had for all of you. He never came to the shop without talking about you or the kids. It was always the fun stuff you did and being with the kids in their sports. I enjoyed the afternoon that I came up and you and George invited me to share a bottle of wine with you and just talk about family and good times. I know you will all miss him. Thank God for the Memories. Love, Betty and Roland Jasmann*
