“ Mr Webb was my sixth grade teacher in 1971-1972 school year at Goshen Elementary. He was such a happy man always with a kind word and a smile. One funny thing I remember about him was when two girls got into a physical fight in the back of his class and in his kind way, he walked toward them, clapping his hands together, and saying, “ladies, ladies...”. He had such a kind heart. I will always remember a few teachers from Goshen School, Mr Webb is one of the top along with Miss Tobin. God be with you, his family. May he Rest In Peace. God bless you all. Thank you for being one of those teachers who really invested yourself in your students, Mr Webb

“ Mr. Webb was my 6th grade teacher, he was funny and entertaining but most of all he loved and believed in his students. Later as a young single mother I rented a condo from him and his wife my son Josh still has good friends from the neighborhood and many of his best childhood memories of he and his brother are from that home. You will be missed Webb thankful for touching my life and the lives of so many other Goshen kids. My sincere thank you to his family for sharing him with all of us.

“ I am 33 years old and still recall fondly being taught by Mr. Webb at Goshen school. He had a saying he would use frequently, “...and a partridge in a pear tree.” I never forgot his zeal for teaching, his contagious energy or his willingness to patiently reiterate or help when needed. He was a wonderful teacher and person and I can only imagine how missed he will be by those closest to him. My sincerest condolences.
