“ Gerald you were my friend in High School and after Redwood I only saw you once in a store in downtown Visalia. I am ashamed to say that I almost forgot about you. It sounds by your obituary that you had a good life and I am glad of that. Sorry that I didn't get to know you after Redwood but we all went our different ways. To your family I offer my condolences. “ Jerry, you crazy dude. Your friends in MAGA (Mexican American Golf Association) bid you farewell and god speed to the big golf course up above. Big Mike, Paul Jones and several others are waiting at the First Tee; nothing but good weather and straight putts await you. We'll share the memories till our time comes to join you.
