“ To the family of Jerry Rodriquez. I wish to extend our belated condolences for the loss of your son, brother, father and friend. My family lived across the street from Lupe and Albeza, in Birdland, and it was some of the best times ever. My parents, Elmo (Dec Feb 8, 2015) and Mary Hernandez, and my siblings - Paul, Susie, Teddy, Emma, Mitzi and I knew the Rodriquez' well and were blessed to have them as neighbors and Jerry as one of our hangout friends - mostly with Teddy and I and our neighborhood friends - and there were plenty of them there. I am very sorry to hear of Jerry's passing, as I was when I learned of Mr. Rodriquez' passing. Our prayers and blessings are extended to Albeza and to Jerry's sons and family. He was a good friend and we had some fun times in those Birdland years. May God bless you all and may Jerry rest in peace. In Christ, Manuel JF Hernandez, LTC, RET, and family.

“ Gerald it was a pleasure to know you over these years since we were teen agers. Time has flown bye and now you are flying among the doves with your wings that you have earned . You are now an Angel of God protector to watch over the loved ones here on earth. Your whit. Your charm and your personality will never be forgotten May you continue to fly free. Free of pain free of sorrow free of worries.. Rest in peace my friend.with much love respect and admiration.

My deepest condolences to your family for all those who are hurting and missing you deeply. I ask God our Father to put his hands upon each and every one of us to give us the strength, hope and the wisdom to know that one day we all shall meet again. Lots of love your friend..
