“ *I love you my Tia I will always hold you close to my heart I have so many memories of me and you laughing and talking shopping and enjoying our life together. You will forever live in my ❤️ heart. It is so hard for me to except the fact that you're no longer here on earth but I am thankful now that you are not suffering you're not in any pain. You are with our heavenly father that loves you unconditionally and now you could be at peace however your wings were ready for you but our hearts weren't. All I could think about is the hope that I have to see you and talk with you one day again in heaven. I love you* ❤️💜❤️💜❤️💜❤️
