Glenna Elaine Dillon

July 15, 1958 - January 29, 2025

It is with deep sorrow that we announce the passing of Glenna Elaine Dillon on January 29, 2025, at the age of 66. Glenna was born on July 15, 1958, and spent her life devoted to her family, friends, and her work as an educator.

Glenna graduated with a bachelor's degree from California State University, Fresno, and enjoyed a fulfilling career at Pleasant Elementary School in Tulare, CA as a schoolteacher for 14 years, touching the lives of many students and leaving a lasting impact on the community.

On May 31, 1980, Glenna married the love of her life, Ronald Lee Dillon, with whom she shared 44 years of love and companionship. Together, they raised three sons: Brandan (Alissa), Ryan, and Matt. Glenna was a proud and devoted mother and grandmother. Her seven grandchildren-Aubrey, Mackenzie, Cody, Emilyn, Ethan, Denver, and Rowan-were the light of her life, and she cherished every moment spent with them.

Glenna is survived by her beloved husband, sons, grandchildren, 6 siblings - Margaret, Charlene, Mary, Lori, Dennis, and Gaylene. She was preceded in death by two brothers, Herbert and Dwayne.

Glenna's warmth, kindness, and dedication to those she loved will be forever remembered. She will be deeply missed by her family, extended family, and friends.

“ Ron, my heart hurts for you. It was always nice to run into two smiling faces. Whether it was in the grocery store or Borders bookstore on Friday night. It was obvious you and Glenna had what everyone wanted in a marriage love for one another. I know it's going to be hard , but rely on those wonderful memories you shared. Greg & Patti Creson

“ *Ron I am sorry you lost your life long love, she was a blessing to so many. I remember when we had youth rallies in Visalia and we would go to Roller Towne. She took the time to teach me how to skate. She never gave up on me. I am so thankful for her and what she taught me. Lots of love to you and your family.*

*Uncle Ron & family, our prayers & thoughts for you all at this sad time. Aunt Elaine was a caring & kind person. One of my special memories of her was when she tutored me in algebra. It is because of her helping me that I passed the class. She will be deeply missed. All our love to you all.*
