“ *I have had the blessing of visiting in Gloria and Charles' home as their "assigned" church ministry team member. The Finks are such real people !! We have connected so well that for years our family have never viewed them as an "assignment". We have \*loved\* the visits with Gloria, she tells it like it is with "no filter" and that makes it easier for her friends to share their thoughts and feelings openly.*

*MUCH THANKS to the family members that shared their stories during the memorial service. It was wonderful to hear about Gloria from their perspectives.*

*I truly believe that Gloria's extensive service in the Temple and in Family History is giving her a wonderful experience in the next life. AND I believe that those who have endured much physical discomfort during earth life will be given an EXTRA amount of joy in the Eternal future.*

*Well done Gloria !!*

*Love, -Brent Winn & family*
