“ *RIP cousin, it's been a long time since I last saw you. Life is funny that way, our journeys take us in all different directions. I hope you lived your life to the fullest, laughed till your stomach hurt, and danced at every opportunity life gave you. I know you're at peace now, no pain and no discomfort anymore. To your family, your brother, and your sisters, I send my deepest and heartfelt condolences for the pain and the sorrow they are living through. I hope the memories they made with you will comfort them throughout their lives. When you arrive in heaven and see our departed family again, give my dad a big bear hug from me...RIP cousin 🙏❤️*
