

## Hailey Lynn Flores

August 4, 2003 - December 14, 2024

On December 14, 2024 our beloved Hailey at the age of 21, made her departure from this life and made her way through the gates of Heaven. When those gates were opened, Hailey was reunited with Our Lord and Savior, her beloved Nana Norma, her Papa Paul, her Uncle Jerry and other family members, who she loved dearly.

Hailey was born August 4, 2003, in Visalia California to Paul Anthony and Monica Flores. She is survived by her loving family her Parents Paul Anthony and Monica Flores, her Brother Marc Flores (Meagan) sister Sabrina Garcia, her sister/cousin Brianna Bernardino. Her niece Paula Rosales, nephews Martin Rosales and Benjamin Chim, fur babies Fat Cat and Dexter. She is also survived by her grandparents, aunts, uncles, cousins, God parents, God brothers and her God sister and all her Lowrider family.

Hailey Loved going to car shows, cruising and attending events with her Dad and her Oldies Family. She was always daddy's right hand and always made sure he was ok. They were always together. She will always be Daddy's little girl and Mommy's baby girl. She always took care of all of us especially her "Bubba" and she loved us with all her heart.

Hailey's life was filled with Love and compassion. She Loved the Lord and always took solace in knowing that when she was ready for something it

would be done in God's timing. She worked at Paradise Playland, an indoor playground for children, she enjoyed her time working there. She enjoyed the kids and how they gravitated towards her and she also became friends with some of the parents. While she loved working at her job, she felt as if she needed a change. So she kept applying for three years to get some type of employment with VUSD and this year was her year. She got the call that she was hired and was finalizing all the paperwork to begin the new year at her new job. She was so excited to start a new career.

Hailey was the most amazing, beautiful young woman. She had the best sense of humor and the biggest personality you could think of. She had a heart of Gold and if anyone needed anything and she could provide it, she would. She was a selfless and giving person, who was always worried about others. Her vibrant energy had a way of filling those around her with happiness and peace. She was strong, courageous, and incredibly intelligent...a young woman of many talents and a heart full of love.

Though her time with us was tragically short, Hailey's memory will live on in the hearts of all who knew her. Her family takes solace in the belief that they will one day be reunited with her in Heaven, where her beautiful spirit will continue to shine. Hailey Lynn Flores will be deeply missed, and her legacy of love and kindness will forever remain in our hearts.

“ Mija no words can express the emptiness I feel in my heart. You were such an “old soul” with lots to give of yourself in this world. The things that made you happy were collecting antiques, classic cars, baking and sharing with friends and family. You enjoyed spending time with your Papa Paul, listening to oldies and making sure his headstone was clean and decorated for the seasonal holidays and occasions. You had that natural beauty inside and out and the most beautiful smile. You were happy making people happy especially your family and dad. You made sure everyone was taken care of before yourself. You were a ray of sunshine and gma Mary enjoyed visiting you and family and you coming to visit her. Only you could get her to listen and do what she needed to do. GMA loves you so much and misses you.....we all do!! Mija, watch over us and tell your Papa Paul and gpa Paul you're in charge now. Life will never be the same for any of us. We have a strong family bond and love and many memories to sustain us until we meet again. I love you, Tia Susie

“ My deepest sympathies to you and your family. A beautiful soul gone too soon. I remember Hailey's sweet face and big brown eyes lit up a room. I remember her at 2 years old holding her cousin when she came home from the hospital, so excited to meet her new cousin. She was just big enough to sit on the couch and wrap her arms around her, then again at the age of 5 and 7 years old laughing as we took her and Marc to mulligans to ride the little rides. I can still hear her little laugh. May God continue to bless you all each and every day.  
We love you Hailey.

“ We are at a loss for words our sweet niece Hailey. We are still in disbelief that you are gone, however believe that you are now our guardian angel in heaven. Even though we lived miles away you always kept in contact with your Tia/Nina and I. The gifts that you made in wood shop and the paintings formed by your own hands will forever be cherished by your Nina and I. The memories throughout your life time our still in our hearts. A memory that I will cherish forever was your mom asking me to build a patio swing and you stayed with me being my assistant and all when you were I believe 3-4 yrs old. When I completed the swing Hailey was very excited and praised me for building her patio swing by telling me “My mommy is going to be very proud of you”.

We miss you very much but will never forget you. Our thoughts and prayers are with you Anthony, Monica and Marc.

Sincerely,  
Juan and Erlinda Villarreal
