“ Mr. Wong served on our City of Tulare Housing and Building Appeals Board, I will always remember his smile and sunny disposition. We could always count on Mr. Wong attending the meetings no matter what day or what time it was. My heart is saddened to hear of his passing. I will relay this sad news to our other Board Members who I am sure extend their condolences to his entire family. God has claimed another Angel may he rest in peace. On behalf of myself and the Planning & Building Department our thoughts and prayers to his entire family.

“ Harold was the greatest step-Dad and PaPa to my kids. He was a loving husband to my Mother for 25 plus years. Harold will always hold a special place in our hearts. You and Mom can square dance with the Angels.

“ *Loved your sense of humor and admired your intelligence, Harold. We enjoyed our times to The Getty Museum...you, as an Architect, understood all of the design elements so well. So glad to have known you, a most unique person.
Rest In Peace, Harold.

*Dear PaPa Harold, You have been on my mind so much lately. I was not notified of your passing. You were one of the greatest men that I've ever met. You love my Mother with all your heart, as you know how much I appreciated your love and patience in her final days. I'm certain Lenore & JD along with Mark's lovely family was by your side. Your heart will always be with me, forever. Rest in Peace, Harold.
I love you, Your Step Daughter
