

Harry Calbert Shirey Jr.

June 20, 1939 - December 2, 2020

It is with great sadness that the family of Harry Shirey Jr announce his passing after a brief illness on December 2nd. He was 81 years old.

Harry was born in Butler, PA to Harry and Lucille Shirey. He was the oldest of 4 children. He went to Compton High School and eventually moved to Visalia where he met his wife, Jann Shirey.

He later attended trade school at Cal Poly. There he became interested in becoming an air conditioning technician. He worked in this field for several years before starting his own air conditioning company.

He loved the outdoors. He liked to garden and at one time had a koi pond and an aviary that housed parakeets and cockatiels. But he spent most of his weekends restoring his classic cars.

Harry leaves behind his children and grandchildren. He will be greatly missed.

For memories and condolences please contact Salser and Dillard Funeral Home.

Tribute Wall

LP

“ *Rest In Peace Harry. I really enjoyed our time working together at the car wash. I used to admire your landscaping as I drove by your home on Walnut as I was driving home from work. Condolences to your family from Sally and I.*
