“ *"A life need not be long to meaningful"*

Hazel Noel Jackson was born and went to heaven on August 30th, 2014 at 26 weeks gestation. She was 10.5 inches long and weighed 13 ounces.

Hazel was a very active baby, always moving around. The doctors said that she most likely passed away from a chromosomal defect. Our little Hazelnut was, is, and forever will be one of the greatest joys of our lives and we are blessed to be her parents.

A private service will be held at her home for immediate family.
