

Helen Lozano Hernandez

December 20, 1956 - December 6, 2023

Helen Hernandez 66, passed away peacefully Wednesday December 6, 2023, with her children by her side. She was born December 20th 1956 in Visalia, CA. Where she grew up surrounded by family and friends. Helen was a loving and caring woman. She made everyone around her feel welcomed and comfortable. As a mother she was generous, loving, and kind. She showed her adult children the true meaning of resilience and strength. She was more than happy to be the central figure in the lives of her children. Her children would say, "She gave the best hugs, she was a good listener, she always had my back, and her laugh was contagious." Her grandchildren were her pride and joy. She loved us beyond measure. Those who truly knew Helen, would say she had a great sense of humor, welcoming and good-hearted.

Helen is survived by her three children, daughter-n-law and son-n-law, four grandchildren, and her brother & two sisters.

Mom, your life was a blessing, your memory a treasure, you are loved beyond words and missed beyond measure. Although distance may separate us, you will never be forgotten and will continue to live in our hearts forever.

Until we meet again,

Raymond, April, Victoria, & your loving family

“ *Helen and I went to school together, being my cousin we were unstoppable we went everywhere together and I remember she would always call me and tell me to call her dad and ask him for permission to come with me whenever we had plans? She would tell me to call because I was the only one her dad Dario would allow her to go out with! We were unstoppable and she didn't care if she was going to get in trouble, Helen and I were naughty growing up! People would say Here comes the Hernandez girls in High School we would always have lunch together and go to the recreation park and kick back, I missed her so much! We both went our separate ways after we got married! She was one crazy lady but she was very loving and she was always say don't worry prima I got your back!*
