July 21, 1951 - October 6, 2022

Henry R. Ortiz, 71, passed away on October 6, 2022, in Visalia, California. He was born to Manuel and Angela Robles on July 21, 1951 in Firebaugh, California. He was one of 16 children.

He grew up in Delano, California. Went to Fremont school and graduated from Delano High School in 1969.

Henry was married and had one child. He learned to be a machinist from his father. He was a hard working man who also enjoyed being with his family. Everyone knew his house on Madison Street. Henry was very mechanically inclined. He was known for building engines, motorcycles or anything with wheels and could fix almost anything. Henry loved riding his motorcycles and driving his nicely painted hot rods. In 1981, Henry began his walk with Christ. He won many souls for Jesus. Even one's who built churches. When Henry became a grandfather, he became quite an outdoorsman. Fishing was definitely one of his favorite things to do, especially with his grandsons.

Henry was a husband, loving father, good son, great brother, nice uncle, cool cousin, true friend, and an awesome grandpa.

He was a dedicated member of the Pentecostal Lighthouse in Visalia, California.

He is survived by his one and only favorite daughter, Angelique Ortiz Alonso, his son-in-law Rodrigo Alonso, his 4 grandchildren Apollos Ortiz, Andres Alonso, and his wife Amber, Aaliyah Alonso, and Adrian Alonso.

“ *When I met Henry years ago, (we'll, probably a couple decades and a half ago) he was always willing to help. Whenever I had a question or ran into a mechanical issue, he would always be there. He would even drive to my mom's house in McFarland just to go help me out. On occasion when I worked in Delano, I would stop by just to hangout and talk for a little bit and catch up. When my Tio Gil passed, I would often think when I would look at Henry, if that's how my Tio would've looked like without his beard 😊. The day I heard about Henry's passing I was sad knowing I wouldn't get to talk to him or say goodbye, but then I realize where his next journey is taking him and I feel happy for him. I know I'll see them all again one day, just not yet.*
