“ Hi, Deane,
I was saddened to read of "Herbie's" passing in this morning's paper.
His stories and gentle humor touched the life of the Adair family as well. The legend of "Falling Rock" has become a staple as we often travel in the mountains. Herbie shared that story with us and our children on one occasion as he rode with us from the cabin at Shaver Lake to the China Peak Ski area. He will always be one of our favorite people to remember when we talk of our adventures at the cabin.

Praying for peace and comfort for you, Denise, Don, Greg, and Kerry.

*Hugs, to all,
Judi Adair*
