“ *It's with great sadness that i leave my condolences. I met Herman through my brother-in-law, but my family has always known him from Goshen. I am a young guy and Herman was always my mechanic, and my go to when i needed help with my cars. he was a wonderful mechanic and handled everything i sent him. Hardworking, dependable, and honest! He always charged me way too little so i always threw in some extra. But that's the kind of guy he was, he helped people out when he could. Even towards the end i would see him volunteering and working hard for the community of Goshen unloading/loading/setup for the fruits/veggies day. Thank you for all your help over the years Herman, i truly appreciated it. I was very sad to hear about you getting sick and your passing. May you rest easy and rest in paradise. My condolences to your wife, and to all your familia and friends. We really lost a good man in Herman. ---from RUDY VASQUEZ JR. III (Rudy & Maria Vasquez's son) from Goshen*

“ *I remember when i needed my car fixed, it was a difficult part to find. So a whole month we waited for a car my type to wreck so Herman could get the part. Well, it never happened so Herman gave me the best advise. He said "Elia, if I were you I'd trade it in cuz your car is too expensive to fix". So that's what I did. And he said "oh and get an older car, their easier for me to fix". I thought that was so cute cuz he wanted to continue being my mechanic. Herman was such a caring man and he'll be missed to the family, be at peace knowing he's not in pain anymore and now living in palace Jesus has promised us all. Herman was such a gentle soul and it was my pleasure to have met him. May he rest in peace and be at peace. Herman would want all of you to continue his memory and dont cry for him. He's at peace, no pain, no suffering and finally resting. God bless you Romo family💔💔.*
