“ *I can't remember calling you by anything...I guess that is because to me you were a mom. Your kind loving heart ...Always welcoming me and any other kids that was lucky enough to be a friend of your children. Some of my best childhood memories were outings with you and the rest of the Marquez family at the lake or 3 rivers swimming, bar b queuing and just having fun. Our trip down highway 1 looking at the ocean for hours. Laughing and talking and singing in the car. Your beautiful welcoming smile and a hug for anyone and everyone ever wanting or needing one. The legacy of love, kindness, and faith will live on in your children and grandchildten. I will always be thankful for all the beautiful memories that I was allowed to share in with your family. May your loving kind spirit continue to bless all of your family and friends.*

“ Thank you Tia Tabi for all of the great memories. You hosted the  
best posadas (the hot chocolate and popcorn balls were the  
greatest).

*The memories that stick out the most are the camping trips. There  
was that time that Robert and I stayed up at Three Rivers all  
summer long. You would make breakfast every morning before you  
went to work at Kmart, then would return in the evening with subway  
sandwiches or would make dinner. Thank you so much for the  
greatest camping trip ever.*

*God bless you.*
