

## Bert Taylor

May 5, 1935 - February 26, 2019

In loving memory and forever in our hearts.

Bert Taylor passed away on February 26, 2019 at the age of 83. He was surrounded by his family in the comfort of his home. He was born in Morehouse, Missouri to Ross and Nettie Taylor on March 5, 1935. He is survived by the love of his life, best friend and wife of 60 years, Joyce Taylor; 1 brother; James Taylor, 4 children; Cassie, Terri, Norman and Brenda, 2 son-in-laws, 1 daughter-in-law, 8 grandchildren, 21 great grandchildren and many nieces and nephews.

No words can describe the great husband, father, grandfather and friend that Bert was. He always made everyone laugh and enjoyed sharing stories of his many lifelong experiences. We loved listening and learning more about what shaped him into such an amazing man. He was also one of many talents - he built the house that he raised his family in. It was made from wood from a torn down school house and best of all it was free. He provided for his family and with his hard work there was never a task or job that he couldn't build or repair. In his early years, he worked in cement as well as for FMC, Olive Plant, and as a mechanic, plumber and electrician. He was a man of many trades and this made him the man we respected, loved and looked up to.

If you couldn't find him, he was always in his shop wood working. In the last several years, he made sure each grandchild had a rocking chair made with his love. God must have needed a carpenter in heaven, and we can only imagine that he is now building a beautiful rocking chair for the love of his life.

His happy place was on a mountain with his son and grandsons hunting and sitting around a campfire.

Rest high on the mountain. You will be missed, but we are rejoicing knowing that you are now our angel and free of pain. We love you. A graveside service will be held Monday, March 4, 2019 at Visalia District Cemetery at 10AM.

“ We would like to express our sincere condolences to you and your family. With deep sympathy, we share your sorrow, after the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us. May God give you the strength to endure the pain you are going through and may he embrace you and comfort your family during this difficult time."Jesus said to her: 'I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life.'" - John 11:25
