“ *We are saddened and shocked by this tragic event. Indubhabhi, we will miss you dearly. We are so sorry for your family's loss, Arshi. Our prayers for you, Katen, Aman, Destiny and all family members and friends. The day, Bhasker introduced us, you immediately accepted me and surrounded me with your love. I remember being happily surprised and feeling genuinely honored by your generous gift of a beautiful fancy sari you presented to me on your return from one of your trips to India. You made me feel special. Thank you for being our friend, Indubhabhi. We will miss your engaging smile and contagious laughter, but most of all your genuine love. Now you are in heaven watching over us, once again.*
