I just want to wake and it's all a dream I never Thought that it would be you the last talk we had you asked me if I Took care of you when you was a baby and yes every Friday I would have you until Sunday and you said to me I know I'm you favorite grandson I said yes you all have a special part of my heart I'm going to miss you knocking on my sliding door Nana open the door it's me Isaha you would be all drunk and I would yell at you you need to stop drinking and coming home late I'm going to miss the times I would get off work late go outside to the patio and smoke and talk with me and have these long talks. You would always make me laugh Even when I was mad . i know it's you coming to my room and knocking my pictures off the wall just Letting you know around watching over me I'm going to miss you so much but I know you're in heaven with my mom your great grandma Lydia and tia Nellie and your little brother I love you my Isaha💔 You took a piece of my heart when you left me
