“ *Uncle Jim you watched my siblings and I grow up, you watched our children grow. You and your family have been a big part our life. When my family and I moved in next door little did we know that we were moving in next door to a wonderful family. Not only did you become our favorite neighbors but you became family. We love you and you will forever be missed. It is never going to be the same going to my dads and not seeing you outside as we yell, "HI UNCLE JIM!" and you respond "HI".*
