September 18, 1946 - April 1, 2021

James Edward DeTroia "Jimmy D" was born September 18, 1946 in Glendale, California and went to San Fernando High School. In 1964 he joined the US Airforce. After his service he returned to Los Angeles to bartend at a handful of clubs including the Out Of Sight, Bogeys and the world famous, Whiskey a GoGo. In 1970 he married Delores Ann McCoy and they had twin boys. In 1978 he moved his family to South Lake Tahoe and was one of the first bartenders to open Park Tahoe, which later became Caesars Tahoe. From there he went to Harveys Casino Stateline. He worked there during the explosion in 1980, which left the casino in shambles. In 2008 he moved to Minden, Nevada to work at the Carson Valley Inn as "The" Banquet Bartender. He retired in 2014 to come live in Visalia, California with his family. Jimmy is survived by his twin sons Beaux and Anthony and has three grandchildren: Zayne, Deveaux and Pennie. He lived his life the way he wanted, with his Wine, Dodgers and White Cat. Jimmy passed away on April 1st, of course! He had COPD, Chronic Obstructive Pulmonary Disease, and passed away at home, in peace at the age of 74. His ashes will be returned to Lake Tahoe.
