

## Janet Marie Webb

April 20, 1958 - January 1, 2018

Janet Marie Webb (Holdaway), at the age of 59, passed away with family by her side on January 1st, 2018 at Kaweah Delta Medical Center. She was the wife of Clay Webb; they shared 28 wonderful years together.

Born and raised in Brawley, CA she was the daughter of John Henry Holdaway and Mary Amelia Ramirez. As a young adult, she worked as a bookkeeper and had two children. She then met and married Clay and had another child before finally residing in Tulare, Ca where she spent her life as a homemaker for her husband and three children.

Jan was a faithful servant of God and a beloved member of Grace Missionary Baptist Church in Tulare, Ca. She was happy to have her husband, children and grandchildren serve with her. She lived for the moments with her loved ones, took pride in raising her children and enjoyed hosting friends and family for any occasion. She loved line dancing, was a great cook, and absolutely adored her grandchildren.

She will be remembered for her nurturing and caring spirit, her selflessness and always making sure everyone else was taken care of. The light in her eyes warmed our hearts and her radiant smile brought joy to all she met. It will be hard to forget someone who gave us so much to remember.

She is survived by her husband, Clayton Webb; daughter, Melissa Newport and her husband Kelly; son, Walter Day and his wife Aimee; son, Joseph Webb and his wife Shandi; nine grandchildren; and sister, Diane Powell and her husband Reggie.

Memorial Tributes can be offered by logging onto [www.salseranddillard.com](http://www.salseranddillard.com).

“ *Janet was the best friend anyone could ever love to have she was there any time you needed to vent about something or to share good news , she will be missed for sure but I know Jan was suffering from her MS she was in a lot of discomfort and she didn't get to spend the natural time with her kids and grandkids like she wanted so Janet Webb go fly and stay close to the Lord and check in on us once in awhile and make sure we are doing what we are supposed to be doing, I love you my friend until we meet again it's goodbye for now. One of many best friends Lisa*
