

Jason Caudell

August 16, 1977 - December 5, 2016

Jason Shawn Caudell was 39 years old when his earthly battle with a long and valiantly fought illness was rewarded with his victory on the streets of gold in Paradise on December 5, 2016. His devotion to his loving family and his firm belief in God provided much comfort in this long battle. Jason was often referred to as a modern day “Job” facing many adversities, yet his faith and trust in God never wavered.

Jason was born in Tulare CA on August 16, 1977 and was raised in Porterville CA. He graduated from Monache High School in 1996. Jason met his bride there in 1997 and they were married on September 11, 1999. Jason was so very blessed with a large and loving family. Jason helped raise their five children with much love, compassion, faith, discipline, and humility. From the very beginning he instilled his faith and love of God and the compassion of helping others.

Jason was a devoted husband, father, son, brother, loyal friend to all who knew him and those who didn't know him as he never met a stranger. He thrived on spending as much quality time with his family as he could making memories that he felt were so important. Those memories have brought much comfort to many. He loved his horses, enjoyed camping, singing, random road trips, always yearning for next memory making adventure. He was passionate about God, his faith and helping others which led him to starting and pastoring Sierra Cowboy Church. He had such great pride in his church and those he served.

Jason is survived by his Wife Heather, his Sons Ashton, Kai and Brayden, Daughters Danavea and Rhyllie, his Mother Deborah Meier, Father Elmer Caudell, Sister Shannon Rojas (Javier), Brother Jeremy Caudell (Amy), Father and Mother in law John and Sue Giesbert, Brother in law Jeromy Giesbert (Lori), and many nieces and nephews. He is preceded in death by his brother Shawn Caudell and grandmother Hazel Caudell.

“ *I am grateful to have meet this young man of God. He is a blessing. I moved away from Visalia so I didnt get to keep attending the cow boy church. I was impressed with what I experienced there . Such a s sweet Spirit in that place. I am so sorry for his wife and children. This is a great loss. And yet one day you will be with him again. I prayed so hard for his healing And God decided to answer our prayers with healing this way. You will be missed Pastor Jason. We will see you again on that other side. Pastor Susan Barnhouse.*

“ Jayce and I were Far Away Friends. We spiritually connected by Facebook.

I was always inspired by Jayce's spirit and his determination. I so wished I could have visited him and his wonderful family, but that would not happen.

Whenever I read about Jayce, I knew that he dearly loved our Lord and only wanted to please Him. Because of Our Lord's love Jayce's loved his family, most especially his Bride, Heather. Then there were the great Caudell kids, Jayce left a wonderful legacy, because each one of the Caudell kids will be Great Credit to Our Lord's love for Jayce and Heather.

I can't wait for my far away friend, Jayce Cadell, to show me the ranges of heaven. We will ride and ride, each time we rise over the crest of a hill, there will be such wondrously glorious sights and sights.

I miss You Friend, Paul Smith.

“ *As Jason's big sis, there are so many memories I can share, funny, sad, happy and bad, but the best memory I can share is simply him!! A great brother, husband, father, son, friend and a true man of GOD! He loved with all he had, gave all he had to those in need and walked by faith. His singing is one thing I can hear now as I'm sure many others can too. His smile that was contagious, is forgiving heart, his love of his family and friends, his words of wisdom and undying love for the Lord are just a simple few memories that stand out.*
