

## Jayden Anthony McCuistion

October 18, 2011 - December 5, 2017

Jayden Anthony McCuistion was born on October 18, 2011 in Welden, Germany and entered into eternal life on December 5, 2017 in Madera, California.

Jayden was a 6-year-old full of life. He attended Kindergarten at Sundale Elementary in Tulare, California where you could always spot him running across the playground with a big smile on his face. He took pride in doing well in school and receiving praise from his teachers and school staff. Jayden was the younger of two sons. Jayden's boyish personality and love for superheros never left a dull moment to be had. His favorite play time was spent dressing up like superheros with his brother. Their bond was strong and their love for each other was radiant. Playing with his cousins, exploring the outdoors, and going on walks were a few of the activities Jayden loved doing. Jayden's humble heart was loving, giving and always thoughtful of others. He would give his toys and clothes to other children whom he thought needed them more than him. Jayden was definitely a one of a kind. Although his time here was cut short, his vivacious personality and bright smile will always be remembered. "We will always love you Mr. Squeeky."

Jayden was survived by his mother Kimberly Parriera, step-father Nicholas his father John McCuistion and girlfriend Brenna Goldsbury, his brother Jovani McCuistion, Grandmother Twyla Sanders and many other family members

and friends.

Visitation will held from 3pm-7pm Friday, December 15, 2017 at Salser & Dillard Funeral Chapel, 127 E. Caldwell Avenue, Visalia California. “ I still remember the day your daddy brought Jojo over to my house because he was going to be with your mommy at the hospital while you were born. They were both so excited and very much in love with you. I was very excited to see Jojo have a little brother. I loved seeing you two grow together. You always copied Jojo but it was so cute to see you be yourself because you were just one of the cutest baby boys ever. I love so much Jayden. I know your life was way too short but you brightened up so many people’s lives. Your smile was so beautiful, I’m sure everybody will think of that beautiful smile when they think of you. I will never forget you baby boy. Rest in peace baby. We love you very much. <3

“ Jayden you were a loving hilarious squeaky little boy. I'm going to miss seeing you wrestle with your brother, jumping off the furniture, and attacking my snack drawer. Now you are being a super angel. I love you baby boy and miss you so very much.
