“ Renee has been a very dear friend of my mine and my family's for longer than I care to admit. She was always bringing my brother David and I all kinds of cookies and cakes during the holidays. She always greeted us with her big smile and a warm, genuine hug. I love her very much and I'm gonna miss her terribly. She and I and Shari always celebrated our birthdays together as we were only days apart. You will never be forgotten my sweet friend. Until we meet again doll. I love you Renee. ❤️

“ I met Renee when I went to Liberty School with her brother Kelly and sister Diane. In the past 20 years I have seen her at different places dancing and having a good time. She was always friendly and a great person to be around. My deepest sympathy to the family for their loss.

*My Condolences to Renee's family. I worked with Renee at Mervyns. I remember a beautiful young girl with long eyelashes and gorgeous thick hair. She was always smiling and laughing and I enjoyed working with her. May she always be remembered that way.*
