

Jennie T. LeDesma

March 27, 1922 - August 16, 2014

Jennie LeDesma

Jennie came to California from Texas in the 40s. She was living in Sanger when she met the love of her life, Julio. They soon were married, moved to the Visalia area, and began a family. Jennie worked in the packing house at Red Banks, as well as run a household. She was a loving mother, grandmother, and great-grandmother.

Jennie enjoyed the company of family and friends. Always greeting everyone with a kind word, all enjoyed visiting with her. She also attended church on a regular basis. Gardening and sewing were two of her favorite pastimes.

Perhaps the activity she enjoyed most of all was reading. She loved settling in with a newspaper, fresh cup of hot coffee, and little Cindy-Lou, the dog, at her side.

She was a good woman with a positive attitude who remained active to the very end. She's in God's hands now, and will be sorely missed by those who knew her.
