“ I am very sorry for your families loss. I worked with Jeremy over 25
years ago. I remember him as a person you could count on. A guy
you could trust to do the right thing. And a man who would always
help his friends. As he did for me. He was one of the kindest people
I have ever met. 🙏 RIP

“ I knew Jeremy while Connie was carrying him...before he made his entry into this world. I used to babysit for him from time to time, just as his mom babysat for my son, William. Jeremy and William were born less than a month apart. When they were young, they had their own language--almost like twins. They started to school at the same and have been good friends all their lives. Just as he was friends with William's brother, Earl. Jeremy will be missed by our whole family! As his obituary said, he was very generous--with his time and in other ways as well. He always took the time to help my daughter, Debbie, either by mowing her lawn or even trading her his lawn mower when hers broke down. His kind heart and generous outpouring of care for others will be long remembered. Jeremy will be missed by many of us. My thoughts and good wishes go out to his wife and daughters as well as his mother and brother and the rest of his family. Much love to you all, Barbara Van Wert
