

Jerry Wayne Whitfield

July 7, 1933 - August 3, 2019

Jerry Wayne Whitfield was born in Ardmore, OK., on July 7, 1933, to James and Dora Whitfield. The family eventually moved to California and settled in Maricopa, where Jerry graduated from high School in 1952. Jerry joined the U.S. Air Force and was stationed in occupied Germany. Jerry thoroughly enjoyed his time in Germany and spoke about it often. After being discharged from the military, Jerry tried his hand in several different adventures. He worked at a resort in Tahoe, prospected in the desert near Joshua Tree, lived in Mexico for a while and was a surveyor for Ventura County. Jerry liked to act and enjoyed performing with the Ventura Plaza Players. He lived in Three Rivers for a few years and worked at the Veteran's Memorial building and volunteered his time as a "Friend" of the Three Rivers Branch Library. Jerry moved to the Exeter Senior Villas approximately 20 years ago and his little apartment quickly became his home. Jerry made several special friends at the Villas and his presence there will be greatly missed. Jerry is survived by two sisters, Geneva and Sue, his sister-in-law, Phyllis and several nieces and nephews. Condolences can be made to www.salseranddillard.com
