“ *It is with sadness that I viewed the obituary photo and story today in Times Delta. How often I have thought of Jesse and the other students that joined us in a program transfer from RHS to GWHS in 1986. Jesse was a warm and happy student, always with a smile and good humor. Over the 30yrs, I have forgotten how his educational plan ended up, but I will never forget how appreciative I was for the very nice GET WELL card that he passed around the classroom for signatures and wrote me a very kind note during my extended absence due to serious illness in that first year at GWHS. I'm pleased to read that he had been blessed with the love of two daughters and someone special in his life.*

Deepest concern and sympathy is sent to his entire family. May his memory bring peace to all of you. Mrs. Lopez, Teacher

Thank you for all the times you were kind to me and to my family.I will never forget you being a good uncle to me when i was a little boy and playing army men with me when i was a kid.I know you had your difficulties in life but regardless you still took the time to be a uncle to me.We were not drinking buddies but you never told me anything to stear me in a wrong direction.You always told me what you felt i needed to hear.That is what i feel a uncle is there for....Uncle Jesse.
