

Jesse Shelton

August 26, 1948 - January 10, 2017

Jesse J. Shelton died unexpectedly on January 10, 2017 in Visalia, California at the age of 68. He was surrounded by family and friends wearing his LA Dodger baseball cap. He left this world to join his son Jordy, who preceded him in death, along with his parents, Corbin and Ceylon Shelton. Jesse is survived by his wife, Glenda, his sons Cory and Drew, brother Paul Shelton and wife Becky, nephews Brian and Jeff. Jesse was born on August 26, 1948. Because of his love for baseball most especially the Dodgers- he coached Visalia Little League for nine years. He retired from the Southern California Gas Company. In his retirement, he enjoyed working with his sons at the shop. The family greatly appreciates the care Jesse received from the medical staff at Kaweah Delta Medical Center. We are sending a special thanks to his RN Evan for his warm support at this time of sadness. Jesse will be missed by his family and friends- as JESSE NEVER MET A STRANGER. “ I lost my longtime friend/riding buddy when Jesse left us. We logged a lot of miles on our bikes & had many great times together. I will always remember when we arrived at a bike rally after a long days ride, one of the first things Jess would do was rush out to the vendor area to buy biker shirts for Drew, Cory & their friends. I'll miss the good old days but cherish the memories.

“ Growing up with Cory and Drew I had the honor of getting to hang out at the Shelton residence as a young man. Jesse always liked to chat baseball and of course he loved that purple Harley, I can still remember the day he bought it. I will always remember his sense of humor and warm heart; and will never forgot the fourths of July with the families and the laughter throughout the home which was filled with soo much love. Good bye Jesse may you ride in heaven for eternity. -love Kyran and The Wiley's
