“ *My condolences to the Garcia family. I had the pleasure of working with Jesus for many years at the Senaida Garcia Center while he was our custodian. We all loved Jesus, he was such a loving caring person. I'm sure each and everyone of us who worked with Jesus has a great story/memory of him that we will cherish. He will always be remembered as kind/loving person. Jesus will be missed by all. My heart hurts for his wife Alicia and his children. I will keep you all in my prayers at this difficult time. Take care of Alicia and God bless you all. Carol Angulo*

My condolences to Alicia and her children as well as the Garcia family. I had the pleasure of working with Jesus for many years at Senaida Garcia Center. He was such a wonderful man. He always had a special way of making us laugh and made us smile. My heart sank when I heard of his passing. I will miss him dearly. Sending the family lots of prayers.
