“ *I just watched your tribute on facebook and it was beautiful. I'm so sorry I wasn't able to attend his service but had another commitment. What I remember about Joe mostly was our coffee breaks together and who could cook the best micro wave popcorn and the jokes that we shared. Also the lunches that the Gas Company paid for!!! We always had a good time when he was around. My deepest condolences to the family, he is in his final resting place and no longer in pain. And truly is looking down now and smiling and remembering his beloved family.*
