“ *I didn't have the pleasure of meeting John, but, I have worked with his daughter, Cindi, for many years. Cindi truly brings a professionalism, winning attitude, strong work ethic and competitive spirit to everything that she does both personally and professionally. I need only see those amazing traits in the daughter to understand what a great man the father must have been.*

John will be missed, but, his legacy and life lessons live on through his family. Rest In Peace!
