“ *I got to babysit the kids when they were little (which probably wasn't really a good idea). I knew that if they were having a good time, I was probably doing something right. I learned to love the sound of Johnny's laughter. I got to have that for the whole of his life. Every time we saw each other I knew I was gonna get a hug and a good dose of it. When I think of him, I hear him laughing. It makes me smile. Love you, Johnny. Thank you for always bringing joy to our lives. Marc*

“ *How I will miss your voice. You always made me smile. You brought joy and sunshine into every conversation. I am thankful for the times we spent together over my decades in the family. You were a good man and we love and miss you. I'll sign for myself only since Marc will want to send his own condolences. Your cousin-in-law - Cece Wippert*
